

Design Your Tag: 4" x 3"

Please make notes of the information you require on the tag in the white areas and fax it to: 763-493-0093.

Note: The center portion of the tag must remain clear of printing for the sensor to work properly.

If you have a quality art file with your company logo, please email it to artwork@labelmart.com. Recommended files are Illustrator or Quark Xpress. Must be at least 300 dpi. Images from the web do not produce well in print. For more information, please contact your sales representative.
